

PROPORTIONAL GIVING

Proportional giving is making the commitment to return a percentage of income to the Lord in thanksgiving for the many gifts the Lord has bestowed on you and your family.

Proportional giving is a family activity. Before your family makes such an important commitment, we ask that you carefully discuss it and even pray about it. Then decide on a level of giving in which you feel called by God to give.

The Bible speaks to us on the importance of tithing. One way tithing could be considered by members of our Diocese is to give;

- 5% of our income to our church parish,
- 1% to the Diocesan programs and set aside
- 4% for other Christian, charitable actions.

A starting point for some may be 2.5% which equals one hour of pay each week.

“to give, in proportion to the blessings which the Lord, your God, has bestowed on you.”Dt. 16:17

Please study the scale on the inside of this brochure to help you determine what your present percentage of giving is and what you are being called by God to give.

Stewardship

A WAY OF LIFE

SHARING

“For where
your treasure is,
there also
will be
your heart.”
