

St. Nicholas Congregation Scrip Program

What Is Scrip?

When you purchase scrip, you're purchasing gift cards that are used just like cash. You can use the gift cards to purchase everyday expenses like food, clothing, and other essentials. And with every purchase, you can share in the profits, or select the Tuition Assistance Fund or St. Nicholas Parish to receive the revenue. And, you can change this selection with each purchase.

How scrip generates revenue for St Nicholas Congregation

Participating retailers/merchants like grocery stores and department stores offer a discount to churches when they purchase large amounts of gift cards. St. Nicholas Congregation buys the gift cards at a discount, and re-sells them to families like yours for full face value. We also have local businesses that will take "St. Nicholas Scrip" the same as cash and will be reimbursed by St. Nicholas at a discount. The discount - from 2% to 15% or more - is revenue.
